- ◆ **Parliament House** - It is the home of the Parliament of Western Australia, including the Legislative Council (upper house) and Legislative Assembly (lower house). The building exhibits elements of Greek Revival architecture.
- ◆ **St. Georges Terrace** - It runs parallel to the Swan River and forms the major arterial road through the central business district.
- ◆ **Barrack Arch** - The Barracks Arch is one of Perth's historic landmark buildings. The area around it was land marked for a freeway.
- ◆ **Town Hall** - Australia's only Gothic-style town hall and its only town hall built by convicts. A unique venue for wedding reception or wedding ceremony, client night, show, or gala function, the Hall's vintage charms and historic flavour are a talking point for any celebration.
- ◆ **Council House** - Opened by Queen Elizabeth II on 25th March 1962, this building, which houses the offices of the Perth City Council, was one of the first of Perth skyscrapers to have walls of glass on all sides.

**SWAN VALLEY**

- ◆ **Caversham Wildlife Park** - Join in the interactive farm show, meet with koalas, kangaroos, quokkas, emus, camels, dingoes and many more. You can make the most of your experience at Caversham Wildlife Park.
- ◆ **Chocolate Factory** - Combining hundreds of delicious. Enjoy the samplings of some freshly made chocolates here and get a chance to see how chocolate is made.

**FREMANTLE**

- ◆ **Fremantle** - The bustling, dynamic port city of Fremantle has long been renowned for its eclectic mix of arty and alternative types. Most of the buildings here are built during the 19th century, and retains a large Victorian-style building.
- ◆ **Monument Hill** - The memorial itself comprises a large obelisk. The site, located on High Street near the centre of Fremantle, overlooks Fremantle Harbour, and was established by the Fremantle Town Council in 1928 to commemorate the losses of the First World War.
- ◆ **Roundhouse** - The Roundhouse is the oldest public building in the State of Western Australia. It was built to hold any person convicted of a crime in the settlement and was used until 1886.
- ◆ **Fishing Boat Harbour** - Take a stroll around the harbour and you'll see all sorts of maritime activities going on including local fishermen hauling in catches. The harbour has an interesting history – starting life in the early 1900s as a single jetty and fish market. With the staging of the America's Cup yacht race defence off Fremantle in 1987 the harbour underwent a massive facelift.
